

Hello potential Just for Kicks dancer and parents!

Thank you for your interest in our studio! We have a relaxed, fun-filled atmosphere while also promoting a positive learning environment. I would like to give you some information and policies regarding the dance studio. Waiting list students will be filled into classes where spots are available. I start to form classes in early summer and I will let you know where you stand on getting into a class this fall as the information becomes available. Students must join at the new fall session. We do not let new students join throughout the year as technique and recital performance material begins right away first semester.

Classes will be based primarily on grade level; however, the instructor reserves the right to move individual students according to their skill level. We want students to have fun and be with their friends as much as possible, but we also want the class skill level to be equal and for all students to learn at the same pace.

The youngest we accept students for the regular session is 3 and they must be this age by September 1<sup>st</sup> of 2012. We do accept 2-4 year olds for our trial parent/tot sessions. Please see the home page for information. 3 year old, 4 year old, kindergarten, and first grade classes are 30 minutes in length at a cost of *\$340.00* for the year. All remaining age groups will have 45 minute classes at a cost of *\$375.00* for the year. This price includes two semesters of lessons. There is a recital costume fee due in November based on the dancer's age. Please see the payment breakdown for specifics. There is a one-time \$10 registration fee for new students at registration.

There is a price break for families with more than one child in dance. The first student will be full price at *\$375.00* with additional members at a cost of *\$350.00* (EXAMPLE: Jane Doe *\$375.00* and brother John Doe *\$350.00 with a savings of \$25.00*) \*If the sibling is in a 30 minute class simply deduct \$25 from tuition cost.

We do not offer combo classes. Each style of dance is offered individually. We would encourage any students wishing to expand their knowledge and appreciation of dance to take an additional class. There is a price break for students who wish to do so. The first class will be full price at *\$375.00* and any additional classes will be *\$325.00*. (EXAMPLE: Jane Doe ballet class *\$375.00* and additional jazz class *\$325.00 with a savings of \$50.00*) \*If the dancer is in (2) 30 minute classes simply deduct \$50 from the price of the class.

Please let me know specifically what class or classes your child is interested in taking in the fall. Please fill out the waiting list application on our website and it will be emailed directly to me. I will be in contact with you in late spring to discuss available class days and times.

Registration takes place in mid to late August at the dance studio. At this time, you will fill out the necessary paperwork and will need to pay at least 1<sup>st</sup> semester tuition please. You will also have the opportunity to order dancewear and shoes. You will be able to tour the studio and meet the instructors. Classes will begin mid-September shortly after the school year begins.

For any further questions, please leave a message at 355-1311, or for quickest response, you may email me at [jfkdancestudio@gmail.com](mailto:jfkdancestudio@gmail.com) and I will get back to you as soon as I can. I really look forward to hearing from you! Again, thank you for your interest in Just for Kicks Dance Studio!
